### **Part A - Applicant's Details**

The name, address and contact details should be adequate for enquiries from INAC about the aircraft type and model nominated on the application. The address should also be suitable for INAC to send an estimate of the cost to issue the TAC.

### **Part B - Aircraft Description**

You must nominate a foreign TC issued for the aircraft by the NAA of a recognised State. A list of the recognised States can be found in Technical Circular CT 11-005

You must nominate the airworthiness category or categories in which you want Santomean certificates of airworthiness to be issued. This will normally be the category or categories nominated on the foreign TC. A list of categories available for Santomean certificates of airworthiness can be found in Technical Circular CT 11-005.

### **Part C – Supply of Data**

You must also support your application by supplying a copy of the type certificate data sheet (TCDS) issued by the NAA of the recognised State and all the data required in part C, INAC's preferred method of receiving the Data is as a data file.

### **Part D - Applicant's Declaration**

By signing the Declaration, you indicate to INAC that you have read the guidelines, completed the application in full, and accept the terms and conditions for processing your application. This application must be signed by all the applicant(s).

Part D - **TO BE COMPLETED BY INAC**
